

Recognitions and Awards

I, Luz Mery Vargas Auca, artisan of the family business Manitas Creativas, feel deeply grateful to receive these recognitions. Each award, from the Peru Handicrafts Fair to Arte Nativa and Mekemma Tee Aka, represents a small part of the journey I have traveled with my family. For me, it is not only a recognition of art, but also of the love I put into each piece, the identity of our peoples, and the passion for continuing to tell stories through craftsmanship. Thank you to every person who accompanies me on this journey.
